School Priority from Strategic Plan 2022-2025	Equality Objective	Rationale	Actions	Success Criteria
A curriculum that engages, excites and encourages a love of learning; ensuring all children have the provision they need to be successful (Priority 1)	To monitor and analyse pupil achievement by race, gender and disability and act on any trends or patterns in the data so that we reduce inequality	We want all of our children to receive the best possible education, including the provision of any additional support as necessary. We want to ensure that all of our children are provided with equal opportunities to achieve	Analyse data at Pupil Progress Meetings and Senior Leader meetings in a way which takes account of the protected characteristics. Identify any trends in the data and use this to inform our actions. Monitor and evaluate actions taken and update data on a termly basis.	Internal and external data indicates that there are no trends of underperformance for any 'group' of pupils. All groups of pupils achieve at least in line with National for their peers. 85% of cohort achieve in line with expectations.
Impact on Equality:				
Strong engagement between school, parents and the wider community - growing talent, heightening cost effectiveness and	To review levels of parental and pupil engagement in learning and school life, across all activities, to ensure equity and fairness in access and engagement	We want to ensure all our children, no matter what ethnicity or background, engage fully in lessons, ensuring a positive impact on their learning.	Analyse and evaluate behaviour data provided by each class teacher, and use this to refine our approaches to behaviour for learning and approaches to	Through monitoring all pupils are actively engaged in their learning with the appropriate level of support to access the learning.

<p>optimising educational outcomes for all (Priority 4)</p>		<p>We would like more of our disadvantaged children to attend after school clubs and so engage more fully in the life of the school.</p> <p>It is important for us to understand the reasons behind these issues so that we can develop meaningful actions</p>	<p>teaching and learning to increase the engagement for all pupils.</p> <p>Monitor attendance at after-school clubs, analyse the data by different pupil groups, and use this information to determine relevant actions to increase engagement.</p> <p>Develop a strategy to support parenting, so that more parents are engaged in and able to support with their child's learning</p>	<p>All pupil premium pupils attend at least one after school club.</p> <p>Increased parental engagement for all groups of parents; especially those identified for support.</p>
