'Learning to love, loving to learn'

15th September 2023

Thank You!

Thank you to all our parents who joined us at Mass on Thursday to welcome in the new academic year as a school community. Thank you to our Year 6 readers, our choir and our servers.

Volunteer Opportunities

Last week I shared that we are looking for any parents who would like to become a reading volunteer within the school. It is not too late to put your name forward. Just let the school office know and we will be in contact with you.

Google Classrooms

Your child has been invited to their new year groups Google Classroom. Work will continue to be shared on this platform throughout the year. Please do have a look if you want to know more about what is being taught in each subject and/or do any additional work at home with your child in line with their school learning. If you experience any difficulties logging in please let your child's class teacher know.
