Homework

Weeks 1-6 - Maths and English.
Week 7 homework – RE based
Learning Challenge half termly
project will be set.

Learning to love, loving to learn

Autumn 2 2023

Class Teacher: Mr Phillips

TA: Ms Farhana Mirza

Value of the Month

November: Forgiveness
December: Honesty

Please discuss these values with your child, identifying acts that represent them.

Dear Parents,

We have got off the half term with a bang. A trip to the science museum, a new class book, sent to us by an 'astronaut'. Using this story, we will be doing lots of writing and talking about our reading.

We hope that you can make our class assembly on the 7th November and then also our KS1 nativity in December. Keep an eye on homework and things sent home. We would really appreciate you helping with any line learning when we send them home.

It is also our parents evening next week, so make sure you come along to discuss your child's progress.

Have a good half term.

Dates for the diary

| | |
|-----------------------------------|--|
| Tue 1 st Nov | All Saints Mass @ St. Thomas a Becket |
| Fri 3 rd Nov 9:00am | Education Wellbeing Service Coffee morning |

| W/B 13 th Nov | Anti – bullying week |
| Thu 7 th Dec | KS1 Nativity |
| Thu 21 st Dec | End of Term Mass @ St Thomas a Becket |
| Fri 22 nd Dec | End of Term |

English

This is our class book for the start of term. Man on the Moon! We will then be learning about Neil Armstrong, showing the children how to construct quality sentences.

Science

We are still learning about different materials. At points in our learning we will also be deciding which material will be best for different purposes. For example, what kind of material would be best for a space suit?

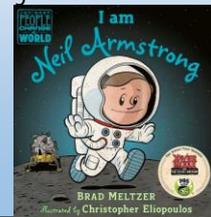

Maths

We are continuing to learn about addition and subtraction. Lots of practice will be done on this during the year. We start to use column addition and subtraction this year using 2 digit numbers. We will then be learning about shape. Here we use the correct words to describe the properties of shape and their symmetry.

Learning Challenge

Was Neil Armstrong a Brave explorer?

Here we look into different explorers from history, how different people travelled and why they wanted to go there.

Christmas performance

This year we will be performing The Angel Who Nearly Missed it All.

Children will have a variety of length speaking parts and will need help with lines nearer the time.
