

# Class Year 3 Newsletter

## Homework

Homework will be given out on Fridays to be returned the following Wednesday.

Week 1 homework – RE based  
Weeks 2-7 - Maths and English.

*Learning to love, loving to learn*

## Autumn 2 2023

Class Teacher: Ms Y Tullonge  
LSA Miss Brenda and Ms Kane

## Value of the Month

**November: Forgiveness**

**December: Honesty**

Please discuss these values with your child, identifying acts that represent them.

## Dear Parents,

We're very excited about the next half-term. We'll be exploring the topic of Wonderful Wandsworth. We'll be asking questions such as: 'What is Wandsworth like? How is Wandsworth connected to other places? How is it changing? And the most exciting question of all, what does Wandsworth offer to us? We're already very excited to find out the answers! In addition to this, we will be looking at countries around the world in Geography, where pupils will explore geographical locations using maps and atlases.

We're looking forward to seeing your child's work as part of their learning challenge homework which we hope you encourage and assist them in as much as possible.

Thank you for your continuous support!  
Ms Tullonge

## Dates for the diary

Tue 1 <sup>st</sup> Nov	All Saints Mass @ St. Thomas a Becket
Fri 3 <sup>rd</sup> Nov 9:00am	Education Wellbeing Service Coffee morning
Tue 7 <sup>th</sup> Nov	Parent's Evening
Wed 8 <sup>th</sup> Nov	Parent's Evening
W/B 13 <sup>th</sup> Nov	Anti – bullying week
Fri 17 <sup>th</sup> Nov	E-safety workshop for parents in the gallery
Thu 21 <sup>st</sup> Dec	End of Term Mass @ St Thomas a Becket
Fri 22 <sup>nd</sup> Dec	End of Term

## English

In English, we are reading "*The Tin Forest by Helen Ward*" We will explore this play using drama, Guided Reading and then complete different pieces of writing based around the text. The genres we are focusing on this term are short stories, imaginative pieces and play script. We will focus this term heavily on grammar and punctuation- using a variety of punctuation marks including full stops, commas, exclamation marks, question marks brackets and colons

## Maths

In Maths, we will focus on multiplication and division. Pupils will learn the times table and their inverses. They will learn how to read and write arrays and do repeated additions. The pupils will continue to do reasoning and problem solving activities to ensure they develop the skills to solve problems later in life.

## Science

In Science, we will be learning about Forces and Magnets. Pupils will be carrying out several investigations and experiments and magnetic and non- magnetic materials. They will develop an understanding magnetic pull and why they occur.

## Learning Challenge

During this half term, our learning will alternate to Geography which will consist of learning about the Countries around the world, in which we will identify, describe and locate key:, countries, regions, cities and Towns. We will also do a local study in History, about Wandsworth. We will explore different parks and other areas of interest in the borough.

Our Key Stage 2 Nativity will take place on Tuesday, 12<sup>th</sup> December in the school hall at 18:30pm.
