## Homework

Week 1 homework – RE based  
Weeks 2-7 – Homework given out on Friday and due in on Wednesday.

Spelling Test – Friday

## School Trip

TBC

*Learning to love, loving to learn*

## Autumn 2 2023

Class Teacher: Mr Villeneuve

## Value of the Month

**November: Forgiveness**

**December: Honesty**

Please discuss these values with your child, identifying acts that represent them.

Dear parents,

It brings me great joy to welcome you to another Autumn 2 term. The children thoroughly enjoyed their residential trip and have returned to school rested, focused and engaged for what will be an exciting – yet demanding – second half to the Autumn term. Though preparations for SATs have started since Autumn 1, Autumn 2 represents a clear ramping up as we look to increase the children's preparation for their May exams. As I have stated on previous newsletters, I ask and count in advance on your continued support in ensuring that my expectations – in addition to the school's values – are championed at home and by yourselves to guarantee the best chance of success for Year 6. Best, Mr Villeneuve

## Dates for the diary

Tue 1 <sup>st</sup> Nov	All Saints Mass @ St. Thomas a Becket
Fri 3 <sup>rd</sup> Nov 9:00am	Education Wellbeing Service Coffee morning
Tue 7 <sup>th</sup> Nov	Parent's Evening

Fri 17 <sup>th</sup> Nov	E-safety workshop for parents in the gallery
Thu 21 <sup>st</sup> Dec	End of Term Mass @ St Thomas a Becket
Fri 22 <sup>nd</sup> Dec	End of Term

## English

In English we will read together the book entitled 'The Way Home' to provide a creative perspective on the theme of light. We will learn to develop our sense of language by writing a number of recounts, stories and poems.

## Maths

### Fractions

Equivalent fractions, converting mixed numbers to improper fractions and vice versa, comparing fractions, addition and subtraction of fractions and mixed numbers.

### Measurement

Converting and calculating metric measures; imperial measures; miles and kilometres as well as metric measures.

## Christmas performance

Our Key Stage 2 Nativity will take place on Tuesday, 12<sup>th</sup> December in the school hall at 18:30pm.

## Science

In Science, 'Light' will be our topic of focus. We will also develop our understanding of shadows, reflections and the human eye amongst other lesson topics through experiments and scientific inquiry.

## Learning Challenge

### Geography – The United Kingdom

The children's learning will be centred on 'Our Local Study', where they will investigate: economic activity, settlements, climate zones, rivers, mountains and hills of the United Kingdom.
