“God’s Self-Revelation and the covenant-relationship reach their fullness in Jesus Christ, the only-begotten Son of God.”

RECD p. 14

Key Learning Objectives

In this unit the children will have the opportunity to:

- Know that Jesus has a great love for each one of us
- Think of ways in which we can show our love for Jesus
- Hear that Jesus cured people who were sick (e.g. John 5:1-9) and think of ways that we can show our love for sick people
- Know that Jesus revealed that he was the Son of God at the wedding at Cana and think about what that means

At Home:

You may like to discuss with your child what happened at the wedding at Cana, when Jesus turned the water into wine. You could also talk about the different ways in which we can show Jesus that we love him.
