## NEXT TERMS LEARNING

Want to find out what your child will be learning about next term? Are you interested on spending time in half term preparing your child for next term's learning whether that be through day trips, visits to the library or sometimes even just watching certain programs on TV/internet!

All of next terms learning can be found on the Year group page on our website: <https://stjosephs.wandsworth.h.sch.uk/curriculum/year-groups/>

## PARENTS EVENING

If you have not yet signed up for your parents evening slot please do so by parentmail. If you are unable to make any of the allocated time slots please talk to your class teacher who may be able to rearrange an alternative date for you.

As part of the Council's commitment to sustainable transport options, cycle training sessions are fully funded by the Environment & Community Services Department and provided free of charge to those applicants who either live, work or go to school in this borough. The contacts for this are below:

Telephone: 020 8871 8871

Email: [roadsafetyofficer@wandsworth.gov.uk](mailto:roadsafetyofficer@wandsworth.gov.uk)

As a school we are hoping to be able to provide these sessions with Bikeability for our Year 5/6 children.
