NEW YEAR MASS

Thank you to all our families who joined us in celebrating the beginning of the new year and another new term. Our Year 3 children led the Mass for their first time; thank you to all the children who read, served and sang all the hymns so beautifully. Our next Mass is on Tuesday 19th March where we will be celebrating St Joseph's day. As always all families are welcomed to attend.

PARENT WORKSHOPS

Once again, thank you to those parents who attended the Challenging Behaviour for parents workshops and for the valuable feedback given so far which we have shared with Wandsworth Education Wellbeing service who run the sessions.

SECOND HAND UNIFORM

Having received a couple of requests for a second hand uniform sale our PTA are keen to hear from anyone who is able to support on the organisation and running of this. If you are able to do so please either let the PTA know directly or let the school office know and we shall pass your details on to the PTA.

AFTER SCHOOL CLUBS

At St Joseph's we aim to offer a wide range of after school clubs within the schools capacity and taking on board ideas and suggestions from the children and parents. Extra curricular activities provide huge benefits for all children. There is an abundance of research showing that extracurricular activities play a positive role in significantly improving soft skills for those who regularly attend – these include; independence, fitting in with peers, teamwork, communication and problem solving skills.

We do still have some spaces in some of our clubs. If you child would like to attend this term it is not too late to sign up. Remember pupil premium children are all entitled to a free club every half term!
