Dear Parents

Welcome back for the final half term. I hope the children have had a good rest after last term's KS1 assessments. They really have worked hard. Over the next few weeks, we will be focusing on their writing. We have some fantastic topics and books to base our writing on. Fortunately, the weather is looking good so we can take some of our learning outdoors. It will be a busy term and of course, we will be preparing the children so they are ready to transition into KS2.

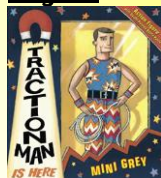

Thank you for your continued support.

Mr Adil

## JOURNEY IN LOVE: RELATIONSHIPS AND SEX EDUCATION

Since September 2020, it became statutory that all schools in England teach Relationship and Sex Education (RSE) as a fundamental part of the curriculum. This term RSE will be taught as part our PSHE lessons. We follow a Catholic scheme called 'Journey in Love', which complements our RE curriculum. We will learn about what it means to live well in relationship with others and be presented within a positive framework of Christian virtue. Children are naturally curious and many will have questions related to their lesson which are treated with care and understanding. You can support your child by giving opportunities to discuss questions. If you would like to see the resources use for teaching, please come and speak to the class teacher.
