

Year 5 Newsletter

Ways to help your child at home:

- Discuss with your child the things that they have learned each day.
- Ensure all homework is completed.
- Encourage your child to read for at least 20 minutes a day.

Learning to love, loving to learn

Summer 2 2024

Class Teacher: Mrs Middleton

TA: Mrs Lourenco

Value of the Month

June: Friendship

July: Humility

Please discuss these values with your child, identifying acts that represent them.

Dear Parents

I hope you all had a lovely half term break. The children have returned ready for a long but extremely busy final half term of the school year. We have got some really exciting learning opportunities planned and the children are already enjoying our new class book.

Please could you continue to support your child with reading and homework activities. This is more important than ever now that they are getting ready for the final year of primary school. The class has worked incredibly hard this year and I know that the transition for them will be smooth.

Thank you for your continued support

Mrs Middleton

English

This half term we will be reading 'There's a Boy in the Girls Bathroom' by Louis Sachar. We will be focusing on longer response questions. We will be exploring the language of debate and writing balanced arguments and some poetry which we will base round our class text.

Learning Challenge

This topic will lead us on a voyage of discovery to South America as we learn about the countries, culture and geography of this fascinating continent. We will learn about the climate, the geographical features, the industries and the people of South America and how different it is compared to life here in the UK.

JOURNEY IN LOVE: RELATIONSHIPS AND SEX EDUCATION

Since September 2020, it became statutory that all schools in England teach Relationship and Sex Education (RSE) as a fundamental part of the curriculum. This term RSE will be taught as part our PSHE lessons. We follow a Catholic scheme called 'Journey in Love', which complements our RE curriculum. We will learn about what it means to live well in relationship with others and be presented within a positive framework of Christian virtue. Children are naturally curious and many will have questions related to their lesson which are treated with care and understanding. You can support your child by giving opportunities to discuss questions. If you would like to see the resources use for teaching, please come and speak to the class teacher.
